Our name says it all – PerfectAire – so take a breath on us.

Unhealthy indoor air is an invisible threat to your well-being. It contains microscopic pollutants that trigger allergies, hay fever and asthma. These viruses, bacteria, dust, nicotine, mould, pollen and smoke may cause eye, nose and throat irritations. PerfectAire's innovative and effective products will ensure that you and your family breathe clean, hygienic and therapeutic air at all times, thus changing the way you live and work. PerfectAire – enjoy every breath.

How it works (Disinfect / re-energize / refresh)

Rotating at 2900 rpm +/- to eliminate malodour, bacteria and viruses by scrubbing the air

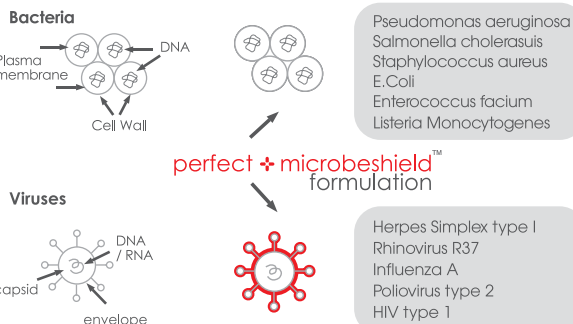

Innovative and Sassy.
Live healthy. Stay happy.

Unhygienic indoor air causes:

- Sneezing, coughing, itchy eyes, runny nose
- Breathing difficulties and asthma
- Allergies, rashes, itchy skin
- Headaches, dizziness, fatigue
- Lower mental concentration
- Lower productivity at work

ScentAire Nano-Technology Essential Oil Diffuser:

This diffuser features Nanoscale Atomization Technology, helps to purify the air, remove odours and reduces bacteria. The unit switches off automatically after 2 hours and has a maximum of 80 hours standby time. The cold diffusion technology ensures the essential oils retain their therapeutic properties. The oil is converted to a 1-3 micron size, which makes it easily absorbed directly into the body. The compact size makes it portable, creates an aromatic environment when used in your car, bathroom, gym or on your desk. ScentAire promotes overall well-being, relieves stress and allows for better sleep. Use with any of our 100% pure essential oils to give you the full benefit of aromatherapy.

ScentAire

Ultrasonic Aroma Diffusers:

Trendy, relaxing and healthy. PerfectAire's essential oil aroma diffusers are gaining popularity. Our aroma diffusers work by breaking down essential oils into micro-molecules, releasing them, which freshens and improves the quality of the air. Diffused essential oils have many benefits: decongestion, improves breathing, defense against bacteria, mould and mosquitoes, relaxation, better sleep, mood control and stress relief. "Scentalise" your living the healthy way.
